

STEPHEN PERKINS FAMILY

Praise and Prayer Report

Coming up next month

We will be "breaking in" our rebuilt engine and trying to put 2,000 miles on the truck as soon as possible so we can begin towing again.

Reworking our summer schedule and trying to get some local meetings.

Please Pray For

Our Summer schedule

Our "new" engine

Soulwinning efforts

Men to surrender to God's calling

July Report

This has been another exciting month to serve Jesus! I rented a car so the four girls and myself could drive down to Battlefield, MO for Junior Camp. We had an excellent time with Wilson Creek Baptist Church, preaching on Sunday and then preaching Junior Camp Monday through Thursday. The girls helped with decorations and Hannah did a great job teaching the children memory verses. Each of the girls chipped in with various jobs from kitchen to cleanup and supervising little ones. We all had a tremendous time and the best part was seeing God work in the hearts and lives of these little ones. We saw several trust Christ as their saviour which was the greatest blessing of all.

We had a week to unpack, reorganize and repack so we could head up to Osseo, WI. God blessed with the use of a church van to make the trip and it saved us a great deal of money. Thank you to First Baptist Church of Lizton, IN! We had a great two week tent meeting at Tri-County Baptist Church. Fifteen days and twenty-one messages was a lot of work but we again were blessed to see God work in people's hearts. People were out several days knocking doors trying to share the gospel.

During the tent meeting in Osseo, WI, our truck was finally finished! Praise God!!! After 78 days with no truck our prayers were finally answered. I would like to say a special thank you to the churches that sacrificially gave to cover the repair cost. It means so much to our family that others are thinking of us and demonstrating their love by being our answer to prayer. We are now in the process of "breaking in" our motor. All of my research has indicated that I should NOT tow within the first 2,000 miles. So, we are doing a lot of driving in the mean time and I am trying to get some local meeting hear in Indiana so that we can continue our summer schedule of meetings. Please pray about our schedule as I may need to cancel some meetings because we are geographically not where we need to be at this time and the distance may be too great. Thank you all for your prayers during this challenging time.
